ABOUT

Sheikh Zayed International Academy is a renowned, non-profit, private co-educational international school of premium quality education with a state-of-the-art campus that operates in Islamabad under the Embassy of the United Arab Emirates. SZIA prides itself for true Internationalism reflected in its student body. Home to over 21 nationalities, different mother tongues and varied cultures and traditions, SZIA manifest respect, tolerance, communication and genuine care for one another. SZIA prepare students, from an assortment of backgrounds, to excel in and contribute to a global world, to guarantee a successful future for each and ensure that each, in turn, be an active member of a better world. Believing that each student is an intellectual, emotional, social and physical being with unique attributes and abilities, the caring, supportive and highly qualified faculty aims to help each individual student to excel to the utmost of his/her capabilities.

FACILITIES

SZIA provides wide range of Luxurious facilities to the Students

CURRICULUM

- International Baccalaureate IB
- British Curriculum
- IGCSE/ GCSE
- AS / A Level

Sheikh Zayed International Academy is the first IB World School in Islamabad to achieve continuum accreditation of all three IB programs, namely, DP, MYP and PYP. SZIA offers simultaneously, the IB, the British and the American curricula from Grades 9 to 12. SZIA is also accredited by Cambridge, Pearson, Edexcel, British UK Boards of Examination. Trans-disciplinary and Interdisciplinary learning across disciplines is a hallmark of Sheikh Zayed International Academy. Our learners are actively engaged in raising queries, researching and investigating with curiosity and enthusiasm and then reflecting on them with a final clear and academic presentation that is innovative, focused and goal-designated. SZIA's comprehensive and challenging curricula prepares students to achieve academic excellence, leading to a journey of discovery and preparation for a life beyond SZIA.
